nf-core: RFCs

Phil Ewels, Seqera

it all started because I messed up..

our community is getting *big*

our community is getting *big*

Lots of people

Lots of people with ideas

Lots of people affected by changes

How can we

Encourage new ideas

Openly discuss new ideas

Transparently make decisions

Ensure people are aware of upcoming changes

Prior art

<https://github.com/withastro/roadmap>

RFCs

[live demo]

Summary

`#rfc-suggestions`

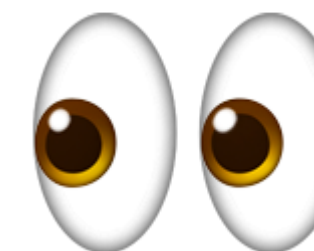

Float ideas

`https://github.com/nf-core/proposals`

Propose / discuss

`#new-rfcs`

Keep up to date
